## STAINLESS STEEL TABLEWARE HIGH GRADE

Hongyi, founded in 2002, is located in Xian Industrial Zone, Binjiang District, Suzhou City, Guangdong Province, China, with a total area of 20000 square meters. It is an enterprise that integrates development, design, production and sales of stainless steel tableware and kitchenware products with self-developed design and export business, specializing in the production and sales of various types of stainless steel kitchen supplies. The company has a group of professional engineering and technical personnel and experienced operators, and has produced a variety of innovative stainless steel kitchen utensils, which can fully meet the needs of different customer groups by changing the maintenance status of stainless steel in the market.

The company adheres to the enterprise spirit of "pursuing, improving and better management" and the business purpose of "quality first, honest first and service first". With the quality policy of "everything is based on customer needs", we will continue to work hard to create more high-quality stainless steel kitchen utensils and provide more high-quality and considerate services for customers and businesses.
